

## Belt grinder for the industry - 75X SILVERSTAR

Item Number: 439232230

### Belt grinder for aluminum and for other non-spark metals.

The first in the world.

Scantool has selected the best raw materials to produce this aluminum grinder. Its special construction guarantees that no explosion can occur in the flammable aluminum dust. The grinding belt will never come into contact with steel parts, even if the grinding belt breaks due to overload or wear and tear.

The powerful built-in exhaust system with the cyclone extracts the aluminum dust efficiently into the black metal container.

### Product Specifications

On Pedestal	✓
With exhaust	✓
Belt speed (m/sec)	30
Exhaust (m <sup>3</sup> /h)	630
Grinding belt (mm)	75x2000
Grinding table (mm)	470
Machine height (mm)	1000
Machine length (mm)	1025
Machine width (mm)	600
Motor (HP)	4,1
Net weight (kg)	85
Number of spindle speeds	1
Rpm	2800/3300
Voltage	3x400/440V-50/60 Hz
Wheel size, Contact wheel (ø mm)	200x75x20
